## **Workshop: ARBO/Law on Health and Safety Introduction**

**Date:** 4 June 2026

**Time:** 09.00 – 17.00 hrs

**Location:** Utrecht area (exact venue to follow)

**Trainers:** Evard Boon

### **About the training:**

Occupational Health and Safety (ARBO) becomes truly relevant when it resonates with your own workplace experiences and concerns. Often, we only become aware of the hazards or the long-term effects of health, safety, and wellbeing policies years after encountering specific workplace conditions. This training is designed to bridge that gap, turning abstract rules into immediate, practical awareness.

Evard Boon, a seasoned safety expert, combines extensive knowledge of ARBO legislation with deep expertise in employee participation and hands-on experience. His interactive approach and vivid, real-world examples ensure the material remains engaging and easy to digest, preventing information overload. Clients consistently value Evard for his accessible teaching style and highly relatable scenarios, which keep participants fully involved from start to finish.

### **Costs:**

The training costs **€350 excl. VAT**. To ensure a high-quality, interactive experience, attendance is strictly limited to **15 participants**.

### **Interested?**
